

Announcement

The Ministry of Industry and Minerals

An Investment Opportunity in the Industrial Sector

The Iraqi Cement State Company is pleased to announce the investment opportunities for

1. Fallujah White Cement Plant.
2. Babil Cement Plant.
3. The Lime Plant in the Holy City of Karbala (affiliated to this company).

The company invites specialized Iraqi, Arab and International companies, investors and financiers to participate in these investment opportunities to rehabilitate and upgrade these plants, on basis of partnership in management, production and increase of production capacities.

Regarding the need for these plants productions, the importance of meeting the Iraqi market, the economic feasibility and the privileges achieved to the investor including provision of raw materials at suitable prices.

The investment profile can be obtained from Iraqi cement company state (HQ), starting from (Sunday the 5th March 2017) at non-refundable price of (150000 I.D.) one hundred fifty thousand Iraqi dinar.

The company is ready to provide detailed information and facilitate the visit to plants. We would like to mention that offers must match the conditions stated in the investment profile.

Offers must be handed as two separated offers (Technical and Financial).

All attached documents must be certified officially by the official department in the countries related to those companies beside the official Iraqi embassy certificate in that country.

Notice, the price equation of cement is applied to preserve price fluctuation in cement market. Offers should be presented by the end of the work day of (Wednesday the 3rd May 2017).
